Individuals, families, and organizations which maintain current, on-going, year-round commitments as School Sponsors are identified with an asterisk (*).

A donor is any individual, group, or organization making gifts to Lunches for Learning. A school sponsor is one who maintains an ongoing, annual commitment at \$2,500 or higher.

A school sponsor's giving is allocated directly to a specific school. As a result, school sponsors receive correspondence from their sponsored schools and are able to visit their sponsored schools when they travel to Honduras with us.

All gifts are a blessing to Lunches for Learning, and we thank you all!
