Individuals, families, and organizations which maintain current, on-going, year-round commitments as School Sponsors are identified with an asterisk (\*).

2022 was the year we were finally able to resume normal operations after two years of Honduran schools being closed to in-person instruction.

Generosity from L4L sponsors and donors during the previous two years of uncertainty made it possible for us to be in a position to immediately resume daily school lunches when we received the go-ahead from the Honduran Education Ministry in March of 2022.

Thank you all!

Giving from a **Classroom Sponsor** supports the equivalent of 10-17 students, the size of a typical multi-grade-level classroom at many rural Honduran schools.

Giving from a **Grade Level Sponsor** covers the equivalent of 5-10 students, comparable to the number of students in a typical grade-level grouping (*kindergarteners, 1st graders, etc.*).

A gift of \$150 covers the cost of school lunches for one Honduran student for an entire school year.
